

## SUPPLEMENTAL CLASS NOTICE

HEALTH REPUBLIC INSURANCE COMPANY V. UNITED STATES  
IN THE UNITED STATES COURT OF FEDERAL CLAIMS

On March 15, 2017, you were sent a Class Notice in the matter of *Health Republic Insurance Company v. United States*, a class action filed in the United States Court of Federal Claims related to Affordable Care Act risk corridor payments. This communication is a supplement to that notice.

Pursuant to a Court Order, the following is hereby added to the end of Section 9 of the Class Notice:

Class Counsel represents that it will request no more than 5% of any judgment or settlement obtained for the QHP Issuer Class. The fee may be substantially less than 5% depending upon the level of class participation represented by the final membership of the QHP Issuer Class. In any event, the exact percentage of Class Counsel's fees will be determined by the Court subject to, among other things, the amount at issue in the case and what is called a "lodestar cross-check" (*i.e.*, a limitation on class counsel fees based on the number of hours actually worked on the case). See, e.g., *Geneva Rock Products, Inc. v. United States*, 119 Fed. Cl. 581, 595-96 (2015); *Loving v. Sec'y of Health and Human Servs.*, 2016 WL 4098722, at \*4 (Fed. Cl. Spec. Mstr. July 7, 2016).
